Fisher King

The Fisher King asks his Knights to shoot Some Wild Ducks to heal the wounds on his feet.

A Mallard to understand who we really are,

A Teal to break the seal,

A Tufted Duck to bring good luck,

A Red Headed Pochard to play gentle guitar,

A Shoveler for a rainbow above the sky,

A Wigeon to persist on the holy Quest,

A Pintail to finally find the Grail,

A Smew to celebrate we can start anew,

A Scaup to empty the smelly swamp,

A Mandarin to sing and spread the message,

A Golden Eye to bring Light that never dims,

A Goose Ende to become eternal friends,

A Carolina to find the right Madonna and

A Red Merganser to keep on Dancing night and day.

Quite satisfied the King just lacks his favorite meal: Some Wild Salmon from the River Dee!
