
Solomon 4

Children's shoes, a ladies handbag,
photo of a married couple,
an insurance policy, laundry detergent,
a tub, fur coat, hug, a child's bicycle,
right next to the convenience store

Remnants left bringing the Bull
back to its Essence, with the
helping hand of a german shepherd

Dark coloured Almondmen, arms spread wide,
squeezing hope from fallen stones

Before: Harlequin with Qanun,
entertaining strangers

After: the Massacre

The Eyes of Azrael, wearing a dress,
shining bright in Lebanon's NN-zone

Gusts of wind and a Dead Horse screaming
at the Exhibition of Solomon 4
